- i.** Photocopy of the quotation notice duly signed by the bidder in all pages.
- ii.** Documents of proof with respect to experience, previous engagement (for the last 5years) in Government/ Private etc..
- iii.** Details of key person including details of technical man power(with qualification, experience etc.)

4. TERMS AND CONDITIONS

1. Acceptance of the quotation constitutes a concluded contract. The successful vendor shall execute and agreement in stamp paper with Rs. 200/- for satisfactory fulfillment of contract, if required.
2. Withdrawal from quotation after the same is accepted, will entail cancellation of the order. In such an event the Government reserves also the right to remove the defaulter's name from the list of Government Suppliers permanently or for a specified number of year.
3. No representation for enhancement of price once accepted and which will be considered during the period of the contract.
4. The price quoted should be inclusive of all taxes, duties, cesses etc. which are or may become payable by the contractor under existing or future laws or rules of the country of origin/supplier delivery during the course of execution of the contract.
5. The selected agency will be responsible for repair / maintenance work of the Computers and peripherals including replacement of defective parts (except consumables) at their own cost. The complete responsibility for smooth functioning of all the Computers and peripherals under this contract (as above) shall rest with the contractor. He shall provide trouble free and prompt service throughout the period of the contract.
6. The contractor would carry out preventive maintenance of Computers and peripherals once in every month, in order to forestall any major failure of the same. Contractor should also ensure proper cleaning of machines on quarterly basis. Failure to do so shall attract penalty at the rate mentioned at penalty clause
7. The charges for repair and maintenance/replacement of defective parts/components of the Computers and peripherals, if any, shall be borne by the contractor during the period of the contract. To the extent possible, all repair and maintenance work would be carried out in this office premises only. Wherever it is not possible to conduct the repair within the office premises the contractor shall obtain prior permission of the competent authority to conduct repair outside the office premises.
8. No transportation charges/cartage for removal of any component to the workshop for repairs and back to office for installation shall be separately payable to the contractor over and above the amount payable to the contractor under the contract.
9. A dedicated person, service engineer, shall be assigned by the contractor from 10.00 AM to 5.00PM on all the working days and even on holidays or beyond office hours, if need arises, to attend to the day to day maintenance issues or he will be available within two hours of lodging the complaint and his contact details be provided to this office.
10. In case of breakdown of any equipment in question, the contractor will be required to attend to the complaints within 24 hours of those being lodged:-
 - a. Critical equipment's complaints shall be cleared in 24 hours.
 - b. Non critical equipments complain shall be cleared in 48 hours.
11. Vendors shall do all call logging and provide quarterly reports.
12. If for any reason, downtime is expected to be more than 48 hours, the contractor shall provide a working standby components of identical configuration until the fault has been rectified.

13. The designated Caretaker of this office will be authorized to lodge the complaint to Agency on Telephone call /SMS or in written form. If the complaint is reported before 3.00 pm, the Agency should attend and rectify it on the same day. Complaint lodged after 3.00 pm should be attended before 11.30 am of the following working day.
14. The rates once approved will not be enhanced by the AMC provider in any case during the currency of the contract.
15. The prospective bidders may, if they so desire, may depute an authorized representative for verifying the configuration and condition of the equipment given in the table above.
16. Wherever during the period of the contract the contractor does not rectify the fault/defects brought to his notice within a reasonable period of time, the office shall get the faults defects rectified by engaging suitable professionals from the open market at the contractor's risk and cost and the amount paid shall be deducted from the amount payable to the contractor. In case the contractor's services are found to be consistently unsatisfactory, the contract shall be terminated after giving one week's notice and the work shall be got done from the Open market at the contractor's cost.
17. At the time of expiry of the contract, the contractor would be required to hand over the department's property in perfect working condition.
18. The contractor shall be responsible for the loss of any Government property owing to negligence on his or his representative's part while maintaining the UPS.
19. No advance payment will be made in any case. Quarterly payments in the next month of each quarter shall be effected.
